Reserves List:

If gymnasts are unable to attend, reserve spaces will be offered 1 week before the squad session. The reserves will be selected from the National Final results from Levels and Gems, selecting from 4th place onwards.

Coaches:

Attending coaches must be a **minimum** of a Level 2 qualified coach, and **must** be booked onto the portal should they wish to attend the session with their gymnasts. We are happy to invite as many coaches as possible, provided they have an up to date DBS, and the correct qualification for the gymnasts they are coaching.
